## Things to know about Patrol

There are different start and finish times according to the months - please take note.

Water Safety means you are getting wet with the nippers. Short shift, heaps of laughs. You may learn something too.

All members to report to their captain 15mins before appointed start time.

Christmas Day Volunteer patrol is optional.  Denotes volunteer days. Get a group together and watch the beach. Register names in Patrol Shed.

If you can't make a patrol, swap with someone who can and inform your captain. Use Team App, Messages or Phone.

You can log on to any patrol at any time, so if you are going to the beach pack your uniform and help out if it's busy.

There will be a swim out to the reef to mark the start and end of the season so come along and join in.
